Perry Pearn's 3 vs. 3 Hockey Camps Inc.

This program is designed for hockey players to aid in preparation for competitive fall camps. The sessions feature a professional warm-up and cool-down with some high tempo skill enhancement drills leading into the 3 vs. 3 competition. The key element to the program is the 3 vs. 3 half ice games focusing on speed and skill. The end results emphasize reading and reacting skills, high-speed individual skill development, improved offensive and defensive awareness as well as excellent game conditioning. The coaching provided is positive and constructively corrective while creating a motivated environment for learning and developing. We hope this camp will put fun into improving your game.

The game format features 4 teams of 8 skaters - each playing 9 to 15 minute games in a round robin competition each evening. Four goaltenders will be required rotating in by periods at each end (two goaltenders at each end). We provide qualified goalie instruction and coaching at each session.

What makes this camp distinctive?

Perry designs high tempo drills and is on-ice with professional instructors.

Daily team standings and individual goal and assist stats are posted. The final session is 'Cup Day'--with winning players' names engraved on The Cup. For the past 29 years, we have been engraving names on The Cup.
